to the residents OF OAKLAND COUNTY, MI

There is plenty of good news in Oakland County's Financial Summary for Fiscal Year 2021. This summary provides you with a clear picture of the county's finances and explains how we use your tax dollars. It also includes an explanation of some of the county's programs and initiatives.

Oakland County continues to earn its reputation for fiscal responsibility through prudent management, balanced three-year budgets, outstanding services and innovative ways to deliver those services, all while continuing to manage fluctuating levels of tax revenue, and navigating the COVID-19 pandemic.

Maintaining fiscal discipline and ensuring the county lives within its means is a fundamental principle of good government. That budgetary restraint has earned the county a AAA bond rating every year since 1998 from Moody's Investors Service and Standard & Poor's. Oakland County will continue to adopt long-term planning goals and maintain the discipline to achieve those objectives. It is a task that cannot be done alone. The other countywide elected officials and the Board of Commissioners work cooperatively together to help manage and balance revenues and spending.

Each year, Oakland County publishes its Annual Comprehensive Financial Report (ACFR). The document contains the county's financial statements prepared following Generally Accepted Accounting Principles (GAAP) and the standards and guidelines set by the Governmental Accounting Standards Board. The ACFR includes an independent auditor's report stating it has reviewed the financial statements and found them to be complete, presented accurately and in the correct format.

The ACFR is available to read on the county's website. We also offer this separate financial summary to provide you with a condensed picture of county finances. I hope you enjoy the 2021 edition.

PROJECTED JOB GROWTH IN OAKLAND COUNTY

Source: Gabriel Ehrlich and Donald Grimes, Institute for Research on Labor, Employment, and the Economy, University of Michigan

Figure 1

Oakland County is recognized as one of the most prosperous counties in the nation. The county ranks ninth overall on a combined measure of prosperity according to the University of Michigan economists Gabriel Ehrlich and Donald Grimes. Oakland County did experience continued job growth in early 2020, marking just over 10 years of job growth which is the longest streak since the job data has been collected. However, the COVID-19 recession led to a 145,851 (19.6 percent) employment decline in Oakland County. Ehrlich and Grimes stated in their June 2021 report that by the first quarter of 2021 Oakland County recovered approximately 59.5 percent of the job losses. They also forecasted that job recovery will continue over the next three years. Furthermore, they expect the county to return to its pre-pandemic employment level in the first quarter of 2023 and to exceed that value by 1.7 percent at the end of 2023. Figure 1 illustrates this trend.

UNEMPLOYMENT RATES

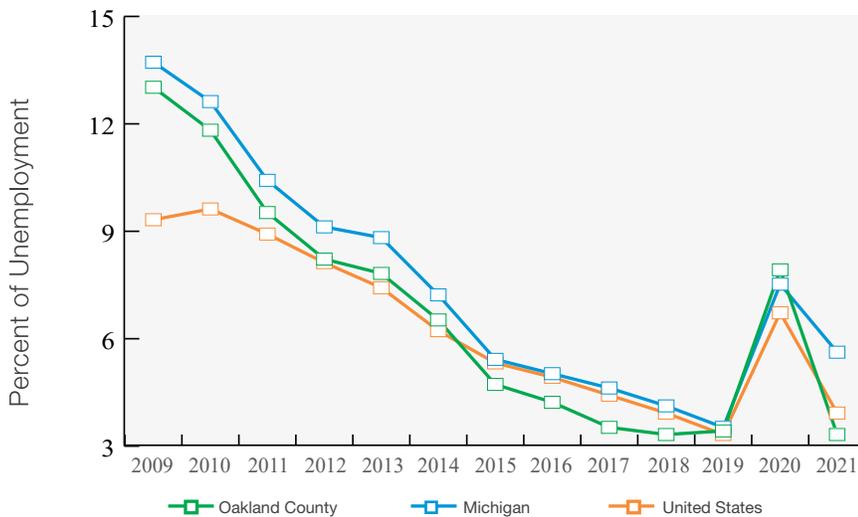

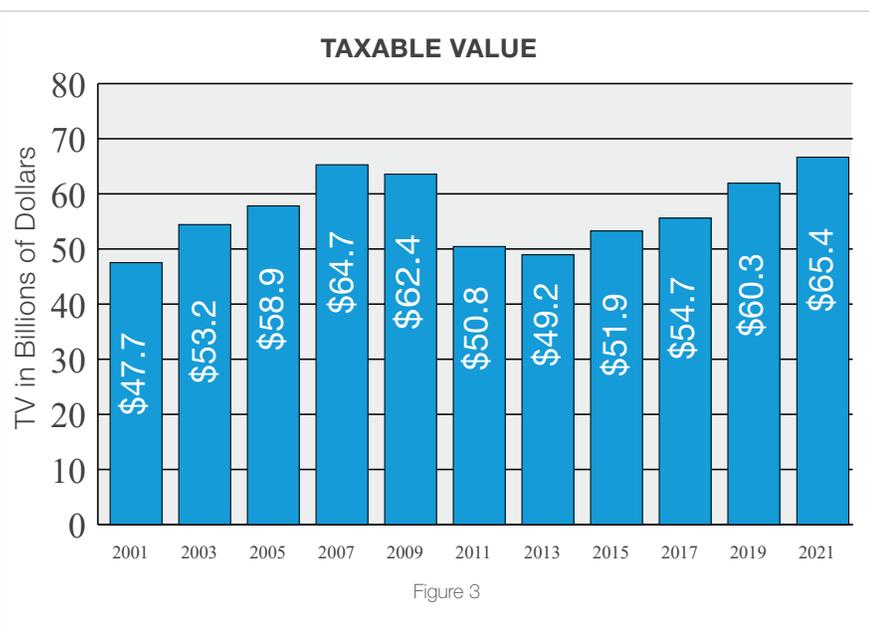

Figure 2

Oakland County's 2020 per capita personal income (PCPI) was \$76,941 is the highest among Michigan's 83 counties according to the U.S. Bureau of Economic Analysis (BEA) most recent published data on November 16, 2021. The 2020 PCPI reflects an increase of 5.0% from 2019. Oakland County's per capita income also compares favorably to the national average of \$56,510 and the state average of \$53,259.

Prior to the COVID-19 pandemic, Oakland County's unemployment rate had improved steadily from the 2009 high rate of 13.0%. However, unemployment spiked to 19.6% in May 2020 as a result of the pandemic and by December 2021, Oakland County's unemployment rate was 3.3% according to a Michigan Department of Technology, Management & Budget report. This compares to the national unemployment rate at 3.9% and the State of Michigan rate at 5.6%. Unemployment rates for the past decade are illustrated in Figure 2.

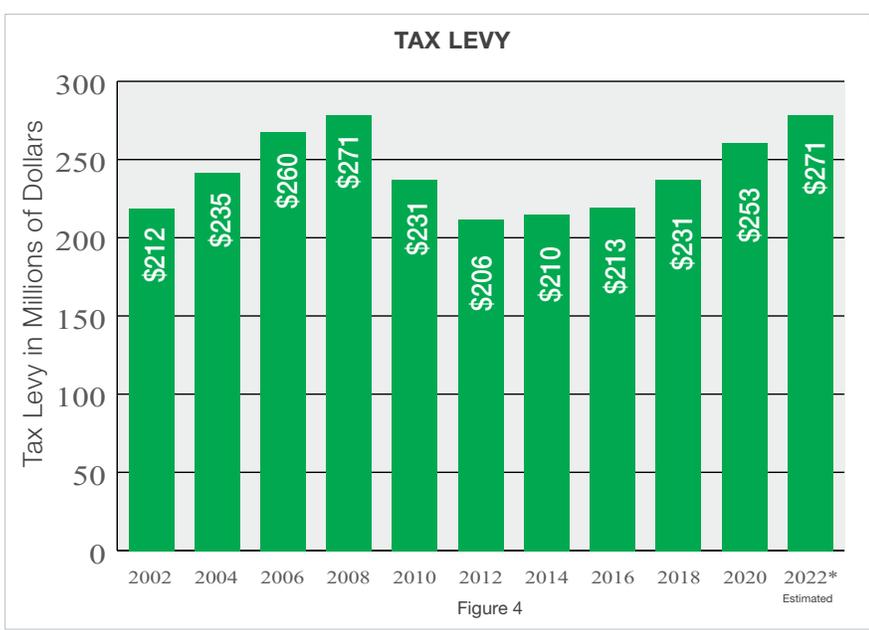

OAKLAND COUNTY'S tax base

Oakland County's collective property values remain the highest of all 83 counties in Michigan and represents 16.7% of the state's total value (Oakland County's population represents only approximately 12.6% of Michigan's total). The majority of Oakland County's taxable value is within the residential class of property, which is approximately 75.0% of the total property tax base.

Millage rate is the rate at which property taxes are levied on property. A mill is 1/1000 of a dollar. Property taxes are computed by multiplying the taxable value of the property by the number of mills levied. The county millage rate for the July 1, 2021 property tax levy was 4.0132 mills for operations, one of the lowest county tax rates in the State of Michigan.

The 2021 market value of property in Oakland County was approximately \$169.6 billion, an increase of approximately \$7.2 billion from 2020 to 2021 (4.42%). The Taxable Value (TV), which is the calculation on which property tax revenue is based, increased 3.84%. This is the ninth year of increase in property value following five consecutive years of decline. Changes in the county's taxable value and tax levies are depicted in Figures 3 and 4.

OAKLAND COUNTY'S **financial condition**

Even through the significant challenges brought about with the COVID-19 pandemic, Oakland County government continued to provide the services expected by its residents, supported its local cities, villages, and townships, and worked with the private sector to support recovery of the local economy – all while still balancing a multi-year budget and maintaining a healthy fund balance. This was accomplished through the combined efforts of Oakland County's elected officials, administrators, and employees.

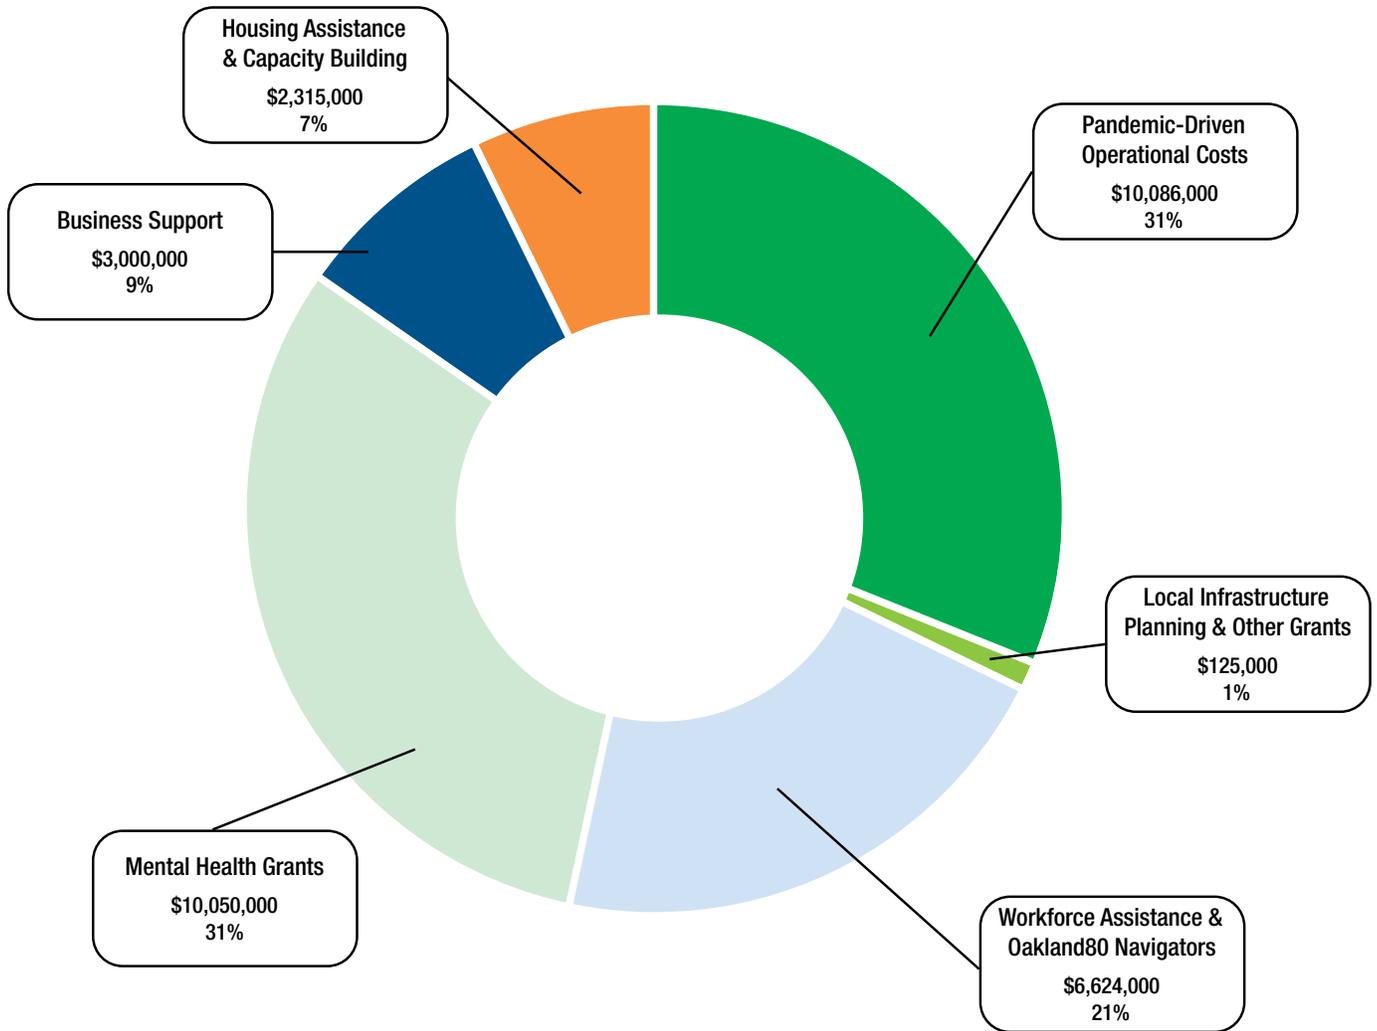

Oakland County's response to the pandemic is on-going. The county received and fully utilized \$219.4 million in direct Coronavirus Aid, Relief and Economic Security (CARES) Act funding as well as other COVID-19-related grants to stabilize and mitigate the effects of the pandemic locally. Additionally, in 2021, the county received the first installment of \$122,134,475 of the total \$244,268,949 awarded funding from the American Rescue Plan Act (ARPA) Coronavirus Local Fiscal Recovery Fund. As of the end of FY 2021, the \$32.2 million appropriated from ARPA funding has been allocated to address acute needs of residents and businesses, as well as to support county COVID-19 operations. The county continues to thoughtfully plan out the use of the remaining ARPA funding. Figure 5.

OAKLAND COUNTY'S financial condition (cont.)

did you know?

Oakland County has fully funded its pension and post-employment benefit plan.

Oakland County's policies and practices are designed for long-term sustainability to ensure its continuing ability to provide quality services. The county's strong financial position is evidenced by its balanced long-term fiscal plan, low debt obligations, and responsible fund balance amounts in conformance with GFOA Recommended Best Practices.

The hallmark of the county's focus on long-term financial planning is preparation and adoption of a triennial budget and five-year forecast. Not only is the budget adopted for the next three fiscal years, the triennial budget is considered a "rolling" budget in that when it is amended, the amendment always reflects the impact for both the remainder of the current fiscal year and the impact on the next two fiscal years.

The county has continually maintained a AAA bond rating which is the highest bond rating achievable from Standard & Poor's and Moody's Investors Service. This rating allows the county to borrow at the lowest possible interest rate, saving the county millions of dollars in future borrowing costs. Local municipalities can also utilize the county's bond rating to borrow funds.

The issuance of debt is also limited. Debt is only issued after other sources of funding (operating budget, existing fund balance, etc.) have been explored. The county has the authority to issue up to \$8.5 billion in debt (10% of its State Equalized Value); however, the actual outstanding debt is \$569.3 million, 6.71% of the permissible amount.

Oakland County was the first county in the nation to fully fund its long-term retiree health care obligation. The most recent actuarial reports issued for the Oakland County Voluntary Employees' Benefit Association (VEBA) and Employee's Retirement System are for the fiscal year ending September 30, 2020. The VEBA fund assets were reported at 150.0% of the fund actuarially determined liabilities. The Oakland County Employees Retirement System assets were reported as 102.2% funded. It is important to note that the annual cost of retiree pension and health care benefits, both for the current year's expense and the actuarially determined amount for the future years' costs are accounted for in each year's operating budget. None of the costs are hidden and none are pushed off onto future generations.

The General Fund is the county's principal operating fund. A favorable General Fund balance is an indicator of a healthy operating environment. In July 2021, Oakland County adopted Miscellaneous Resolution #21301 which revised its fund balance policy from a minimum fund balance level from 20% of annual General Fund expenditures. The updated policy reflects a minimum fund balance level of 25% of annual on-going General Fund expenditures to protect the continuity of county services during an economic downturn, with clearer guidelines on the economic circumstances under which those funds can be appropriated, and another 5% of on-going annual expenditures for non-economic budget risks.

Since 2012, Oakland County's general fund balance has increased by a total of \$65.0 million. The increase is primarily attributable to the county's effort to limit spending while maintaining services. A concentrated effort to build additional resources to cover an anticipated revenue reduction has also contributed to the increase in recent years. Figure 6a and 6b provides a historical view of the county's General Fund balance.

OAKLAND COUNTY'S financial condition (cont.)

Many other types of funds are used in accordance with Generally Accepted Accounting Principles to record the programs and services provided by the county:

- Special Revenue funds are used to record the activities that receive monies for restricted purposes such as Friend of the Court and grant-funded activities.
- Debt Service funds account for the accumulation of resources for, and the payment of, general long-term debt principal and interest, usually bonds.
- Capital Project funds account for the purchase or construction of major capital facilities, such as buildings, drains, water and sewer projects.
- Enterprise funds account for functions that are financed primarily through user charges and operate similar to businesses, such as the airports, water and sewer operations and the parks.
- Internal Service funds account for the financing of goods or services provided by one county department or agency to other departments or agencies on a cost-reimbursement basis.

The overall revenues and expenses for county functions illustrated in Figure 7 are derived from Governmental and Proprietary Fund Statements presented in the Annual Comprehensive Financial Report. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange revenues. Business-type activities are financed in whole or in part by fees charged for goods or services. The Revenue Trend graph provides a 5-year history of county revenue sources. The Expense Trend graphs show expenses by major activities within the county. For additional information regarding changes by activity, please refer to the Management Discussion and Analysis section in the Fiscal Year 2021 Annual Comprehensive Financial Report at oakgov.com/mgtbud/fiscal.

Internal Service fund revenues and expenses have not been included in these totals. Also, the funds of the component units (Road Commission for Oakland County and Chapters 20 & 21 Drainage Districts) are not presented as these services are provided by other county entities. However, General Fund transfers to the Internal Service funds are included as expenses to reflect the use of county tax revenues more accurately.

did you know?

To aid in the transparent communication with the public, Oakland County created a COVID-19 resources and information website.

The site was coordinated through the County's information technology, public communications, and health division teams to keep the public informed of pandemic trend data with interactive maps as well as grant programs available to businesses, local governments, non-profits, school districts, and residents.

General Government includes all areas of the county involved in the administration and financial aspects of county business. Included in this program are the county Executive, Board of Commissioners, Treasurer, Management and Budget, Human Resources, Department of Public Communications and Central Services departments. The Elections Division is also included.

EXECUTIVE: The County Executive is responsible for coordinating county activities, maintaining fiscal policies, and interacting with the Board of Commissioners and other countywide elected officials. Corporation Counsel and internal auditing functions are performed under the County Executive. Additionally, the Office of Diversity, Equity and Inclusion and the Department of Public Communications are newly created functions under the Executive for FY 2021.

LEGISLATIVE: The Board of Commissioners is the governing body of Oakland County. The board is responsible for the adoption of the annual budget, establishing the county property tax millage rate, formulating and establishing county policies, making appointments to various boards and commissions, and adopting ordinances and rules.

TREASURY: The Treasurer serves as the banker of the county and acts as the custodian of all county funds and as the collector and distributor of all revenues.

FINANCE: The Department of Management and Budget oversees the finance functions of the county including Equalization, Fiscal Services, and Purchasing. The Director is designated as the Fiscal Officer of the county and is responsible for ensuring that the county operates within a balanced budget and that all financial transactions and financial reporting are completed in accordance with the accounting and reporting standards set by the Governmental Accounting Standards Board.

HUMAN RESOURCES: The Human Resources Department, as mandated by Public Act 139, directs the performance of all personnel and labor relations functions for the county.

SUPPORT SERVICES: Central Services is responsible for the overall administration and operations of the Support Services Division which provides a wide variety of governmental and internal services to county departments including Vehicle Operations, Record Retention, Mailroom, Courthouse Cafeteria and three county airports.

ELECTIONS: The Elections Division is responsible for overseeing all county and multi-jurisdictional elections, programming elections tabulators, printing ballots, training poll workers and maintaining permanent records of election results. The division also maintains all campaign finance records for local offices and updates the statewide Qualified Voter File (QVF) database.

public safety

Public Safety consists of all aspects of law enforcement.

LAW ENFORCEMENT / INCARCERATION / COMMUNITY LAW ENFORCEMENT

SUPPORT: The **Sheriff's Office** is comprised of the Administrative Services Division, which conducts business and human resource functions, and two main groups: the Corrections/Courts and Inmate and Support Services Group and the Law Enforcement Services Group. The Corrections/Courts and Inmate and Support Services Group is made up of Corrective Services, which oversees operations of the main jail and inmate support services and Corrective Services - Satellites, which oversees the operations of facilities outside the main jail, including court security. The Law Enforcement Services Group includes Emergency Response and Preparedness; Emergency Communications and Operations which provides dispatch services; Patrol Services, which administers law enforcement activities including contracted patrol; and Investigative/ Forensic Services, which provides countywide police service support including investigations for numerous areas such as narcotics, fire, homicide, crime scene and computer crime in addition to forensic lab services.

Children's Village is the county's residential facility for children and youth who are court-ordered into care or who have been placed in the facility by the Michigan Department of Human Services.

Information Technology programs that support local community law enforcement are also included under Public Safety.

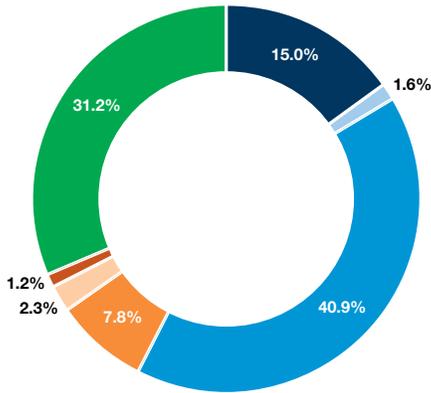

ALTERNATIVE CORRECTIONS PROGRAMS: The **Community Corrections Division** provides a wide array of sentencing alternatives for all types of non-violent offenders. These programs offer rehabilitative value without compromising public safety. All programs are cost effective alternatives to incarceration, which allows for the jail space to be reserved for the most serious offenders.

The **Circuit Court Probation Division** provides the Oakland County Circuit Court with a Pre-Sentence Investigation Report consistent with Michigan Compiled Law 771.14 prior to sentencing on each defendant convicted of a felony and referred by the court. The Circuit Court Probation Division is a multi-funded agency, which is funded by both the state of Michigan and Oakland County.

EMERGENCY MANAGEMENT AND HOMELAND SECURITY: The **Emergency and Homeland Security Department** provides emergency management planning, response, recovery and mitigation services for natural, technological, national security and nuclear emergencies or disasters affecting Oakland County.

ANIMAL CONTROL is responsible for the enforcement of state laws pertaining to domestic animals and livestock.

Crime Prevention: The **Youth Assistance Program**, within **Circuit Court**, is designed to strengthen youth and families to prevent and reduce delinquency, abuse, and neglect through community and volunteer involvement.

justice administration

- Judicial Process
- Litigation
- Investigations
- Estates & Mental Health
- Case Records
- Civil Enforcement

Justice Administration includes the Circuit, 52nd District and Probate courts as well as the Prosecuting Attorney’s Office. A portion of the County Clerk, the official recorder of county records and Clerk to the Circuit Court, is also included.

JUDICIAL PROCESS: The **6th Judicial Circuit Court** serves all the residents of Oakland County. It hears civil, criminal and family cases, as well as appeals from district courts, administrative agencies, and some Probate Court matters. The job of the court is to dispense justice, interpret the law and settle disputes.

The **52nd District** courts have jurisdiction over all misdemeanor, ordinance and charter violations and preliminary examinations on all felony cases. The District Court has exclusive jurisdiction over General Civil actions when the amount in controversy does not exceed \$25,000, Landlord Tenant and Land Contract Forfeiture cases, as well as Small Claims cases with disputes not exceeding \$6,000. The District Court may also conduct marriages. There are four divisions of the court: Division I in Novi, Division II in Clarkston, Division III in Rochester Hills and Division IV in Troy.

ESTATES AND MENTAL HEALTH: Probate Court is responsible for the probating of wills, guardianships, conservatorships and the administration of estates of deceased persons by personal representatives.

LITIGATION/INVESTIGATIONS: The **Prosecuting Attorney** is the chief law enforcement officer of the county, primarily charged with the duty to see that state criminal laws are faithfully enforced. The Prosecuting Attorney represents the people of the state of Michigan in all state law criminal matters pending before all courts in Oakland County, advocates for new legislation and other reforms in the system, and assists in the training of police officers to ensure they are able to perform their functions in accordance with the law.

CASE RECORDS: The **Office of the County Clerk** is responsible for recording and maintaining all 6th Judicial Circuit Court paper and electronic documents in accordance with all statutory and Supreme Court guidelines.

CIVIL ENFORCEMENT: Fiscal Services Reimbursement is responsible for managing collections for the Circuit, Family, and Probate courts for all court ordered fees and determines the ability to pay for various court services. Prosecuting Attorney and Friend of the Court Child Support Enforcement programs are also included in this area.

Oakland Together 40 Under 40 program recognizes and spotlights dynamic leaders under the age of 40 who are making a difference in Oakland County and beyond. In its tenth year, the program is open to individuals under 40 who live or work in Oakland County and a panel of independent judges select top applicants.

Commerce and Community Development reflects all efforts to promote and sustain a strong business and economic climate, a healthy environment and vibrant communities.

COMMUNITY DEVELOPMENT programs prepare and provide land use information and zoning and master plan reviews for Oakland County communities to improve land use coordination and decision-making. Also, Main Street Oakland County maximizes the economic potential and preserves the heritage and sense of place of the county’s historic commercial (downtown) districts.

The **Neighborhood Housing Development** (formerly Community & Home Improvement Division) administers federal housing and community development grants from the U.S. Department of Housing and Urban Development. These grants are designed to create viable communities by providing decent, safe and sanitary housing, a suitable living environment and expanded economic opportunities for persons of low and moderate income, homeless persons, and persons with housing issues.

The **Register of Deeds** records and safeguards all land related documents including subdivision plats and condominium plans. The office has a Super Index, allowing millions of documents filed with Oakland County to become easily searchable by any piece of information contained within them. There is also a Property Records Notification system that notifies residents by e-mail when a document is recorded with their specified search term(s).

COMMUNITY SERVICES: The **Equalization Division** assists the Board of Commissioners in ascertaining whether the real and personal property in the townships and cities of Oakland County have been equally and uniformly assessed at true cash value.

Access Oakland Account Services provides secure access to business systems, account management, reporting, and payment options.

The **Water Resources Commissioner** is the delegated authority to maintain the established legal levels of 55 lakes within Oakland County. Under the provisions of the Land Division Act, the Water Resources Commissioner’s Office also reviews and approves subdivision plats to ensure that adequate storm drainage facilities have been included in the engineering plan.

Manufacturing Day in Oakland County is a celebration of modern manufacturing - an opportunity for students to get a firsthand look at what today's engineers, technicians and other staff do each day at advanced manufacturing facilities across the region.

As a member of Welcoming America, Oakland County hosts Welcoming Week in the month of September which is a refugee services event that brings representatives from agencies and county departments that work with community members and celebrates the vast array of cultures that makeup the rich fabric of our communities.

ECONOMIC DEVELOPMENT provides leading-edge services and program that help the county continue to make the transitions from a manufacturing-based economy to a knowledge-based economy. These initiatives spearhead a positive business environment and maintain job growth and a high quality of life for the county's residents. Due to its educated work force, Oakland County is well positioned to continue its transformation to the evolving knowledge-based economy. Approximately 60.4% of all county residents hold a degree from an institute of higher education.

Oakland County realigned functions under Economic Development to create a more robust community engagement and communications. The Business Development Division was created which includes National and International Business Development, Business Retention and Expansion, Emerging Growth and Innovations and Financial Services, and External Affairs and Communications. These functional areas are key in driving Oakland County in its efforts to lead the state in real GDP metrics, innovation, and creating an attractive destination for national and international business operations to locate.

The Planning and Local Business Development Division is comprised of Trails, Transportation and Environment, Local Business Development, and Planning, Zoning and Land Use. These areas provide planning and economic development programs and services to local governments, non-profits, developers and businesses.

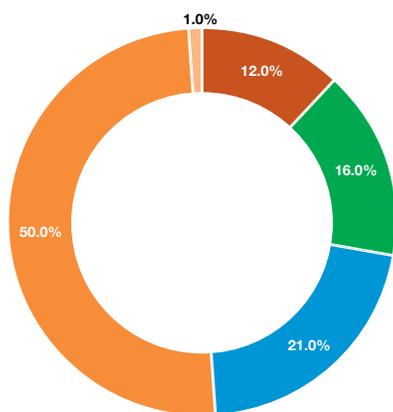

ENVIRONMENTAL PROTECTION: Environmental Stewardship supports sustainable economic growth, development and redevelopment through the preparation and communication of information, plans, visions, and options which advance proactive, coordinated, locally driven conservation and recreation initiatives. A county trail vision provides guidance to local regional and state trail planning efforts.

The Waste Resource Management program develops and administers the county's solid waste planning efforts. The county also facilitates a household hazardous waste program that provides consortium of community residents with regular, easily accessible household hazardous waste collection events.

WORKFORCE DEVELOPMENT: Under the joint direction of the Oakland County Workforce Development Board and the County Executive, the Workforce Development Division administers numerous state and federally funded programs that serve the county's job seekers and employers.

Public Works refers to all operating systems that form the infrastructure of basic county functions.

COUNTY FACILITIES: **Facilities Management** plans, designs, constructs, renovates, operates, maintains, repairs and provides security for the facilities and grounds owned and maintained by Oakland County.

TRANSPORTATION: The **Aviation Division** oversees three county-owned airports; Oakland County International Airport, Oakland/Troy Airport and Oakland/Southwest Airport.

PUBLIC UTILITIES/DRAINAGE SYSTEMS: The **Water Resources Commissioner** provides leadership in areas of regional cooperation in order to make responsible decisions about infrastructure, the environment and water quality. These responsibilities include the operation and maintenance of county-owned sewers and many individual municipal sewer systems and drinking water systems under contract. Other functions of the office include operations and maintenance of facilities such as sewage pump stations, retention treatment basins, storm water retention facilities and lake level augmentation sites. Duties also include drain and sewer construction inspection, sewage flow metering, engineering plan review and permitting, as well as a soil erosion control program to monitor construction activities to protect Oakland County lakes and streams from the effects of soil erosion and sedimentation.

ADVANCED TECHNOLOGY: The **Department of Information Technology (IT)** plays an integral role in county operations by developing, integrating and maintaining innovative technology programs. IT provides service to all units of county government, as well as local municipalities and county-affiliated companies, organizations and individuals.

The county continues to be a leader in efforts to share government resources through intergovernmental cooperative programs. The county's Courts and Law Enforcement Management Information System (CLEMIS) program is a premiere example of regional collaboration with over 250 public safety agencies across Southeast Michigan.

Government to Government, or G2G, Marketplace was developed to offer solutions from government partners and approved vendors to government agencies through an online store experience. The goal of this initiative is to provide governments with an easy way to research, purchase and implement technology solutions and professional services. The G2G Marketplace simplifies the purchase and licensing process with pre-negotiated blanket purchase agreements so government agencies can utilize technology and services quickly. Currently, there are approximately 1,200 registered government users across the United States and in other countries around the world utilizing the G2G Marketplace.

Annual Comprehensive Financial Report

Oakland County’s annual comprehensive financial reports for the fiscal years ended 1990-2020, from which the information within the popular annual financial report has been drawn, have been awarded the Certificate of Achievement for Excellence in Financial Reporting by Government Finance Officers Association of the United States and Canada (GFOA). The Certificate of Achievement is the highest form of recognition for excellence in state and local government financial reporting.

In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized annual comprehensive financial report, whose contents conform to program standards. Such an Annual Comprehensive Financial Report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current Annual Comprehensive Financial Report continues to conform to the Certificate of Achievement Program’s requirements, and we are submitting it to GFOA to determine its eligibility for another Certificate.
