**THE OAKLAND COUNTY
PURCHASING TEAM...**
here to serve you.

Oakland County PURCHASING

How can winning a bid get you more than one contract award?

The G2G Marketplace was developed by Oakland County, Michigan to offer solutions from government partners and approved vendors to government agencies through an online store experience. Currently, we have nearly 1,000 registered government users across the United States and in other countries around the world.

Contact us: purchasing@oakgov.com

Join our vendor community

All bid solicitations are communicated via the BidNet/MITN website. Vendors interested in responding to Oakland County bid solicitations MUST submit the formal bid documents posted on the MITN website for consideration.

Register at bidnetdirect.com/mitn for access to Oakland County's solicitations.
